Sign in to an existing AWS account

Sign up for AWS

Confirm your identity

Before you can use your AWS account, you must verify your phone number. When you continue, the AWS automated system will contact you with a verification code.

How should we send you the verification code?

- Text message (SMS)
- Voice call

Country or region code

United States (+1) ▾

Mobile phone number

Security check

The screenshot shows the AWS registration confirmation page. At the top, there's a navigation bar with the AWS logo, a search bar, and links for 'About AWS', 'Contact Us', 'Support', 'English', and 'My Account'. A 'Sign In to the Console' button is visible. Below the navigation bar, there's a large blue rocket icon. The main heading is 'Congratulations!' followed by the text 'Thank you for signing up with AWS.' and 'We are activating your account, which should take a few minutes. You will receive an email when this is complete.' A prominent orange button says 'Go to the AWS Management Console'. Below it, there are links for 'Sign up for another account' and 'Contact Sales'. A chatbot bubble on the right says 'Hi, I can connect you with an AWS representative or answer questions you have on AWS.' and has a notification badge with the number '1'.

The screenshot shows the AWS Management Console home page. The top navigation bar includes the AWS logo, a search bar, and the current region 'Stockholm' and user 'julsza'. The main content area is titled 'Console Home' and features several widgets. The 'Recently visited' widget shows 'No recently visited services' with links for 'EC2', 'S3', 'RDS', and 'Lambda'. The 'Applications (0)' widget shows 'Region: Europe (Stockholm)' and a 'Create application' button. Below it, there's a table header with columns for 'Name', 'Description', 'Region', and 'Originati...'. The 'Welcome to AWS' widget has a 'Getting started with' link. The 'AWS Health' widget has an 'Open issues' link. The 'Cost and usage' widget is also visible. At the bottom, there's a footer with 'CloudShell', 'Feedback', and copyright information for Amazon Web Services, Inc. or its affiliates.
